

Greetings from TNAI Puducherry U.T. Branch and JIPMER Nursing Services Department...

Dear all,

We are pleased to invite you to the National Conference on Forensic Nursing, conducted by the TNAI Puducherry U.T. Branch on 01st & 02nd April 2025.

**ABOUT TNAI:** TNAI is a non-profit, non-sectoral, non-political and non-religious organisation that works for the welfare and advancement of nurses. The TNAI Puducherry U.T. Branch was formed in 2022 and this is the first conference conducted by the Branch.

**ABOUT JIPMER:** JIPMER is an Institute of National Importance (INI) and a tertiary care referral hospital. JIPMER is one among the very few institutions in the country which is providing teaching from undergraduate to superspeciality & sub-specialties, conducting path breaking research and providing specialty care of high order.

**ABOUT CONFERENCE:** This conference aims to bring together healthcare professionals, forensic experts and legal specialists to explore the evolving field of forensic nursing. This two-day event will provide a platform to discuss medico-legal aspects, forensic investigations, ethical considerations and the role of forensic nurses in delivering justice and patient care. With expert-led sessions covering child abuse, sexual offences, toxicology, organ transplantation, psychiatric illness in crime and forensic documentation. The conference will also offer insights into emerging trends, challenges, and career pathways in forensic nursing. Join us to enhance your knowledge, engage in interactive discussions, and contribute to the advancement of forensic nursing in India.
