

Department of Neonatology JIPMER, Puducherry

The Department of Neonatology, JIPMER organized a 3-day **Neonatal Ventilation Workshop** in JIPMER Academic Center (July 22-24) in coordination with PGIMER, Chandigarh and AIIMS, New Delhi. Over 90 delegates from across the country were given hands-on training by eminent national-level faculty during the workshop. The participants included neonatologists, pediatricians and postgraduate trainees in Pediatrics and Neonatology. They received training in various aspects of neonatal ventilation including physiology, invasive and noninvasive respiratory support, and troubleshooting. The program was inaugurated by dignitaries including Dr. Rakesh Aggarwal, Director, JIPMER, Dr. DM Thappa, Dean Research, JIPMER and Dr. Praveen Kumar, Head of the Division of Neonatology, PGIMER, Chandigarh.
