

WORLD PHYSIOTHERAPY DAY (8th SEPTEMBER)

On the occasion of World PT Day, the Physiotherapy Section of the Department of Physical Medicine and Rehabilitation (PMR) organised a program on 9th Sept 2024 in the PT Section (90) of PMRC Block.

Medical Superintendent Dr.L.N.Dorairajan was the Chief Guest and Dr.Jagdish Menon, Professor of Orthopedics was the Guest of Honor.

On this occasion, Standard Operating Procedures (SOP) for Physiotherapy equipments was released in the presence of Prof and Head PMR Dr.Navin Kumar and Senior Physiotherapist Mrs.M.Suganthi.

The SOP is also released on JIPMER website on 8th September 2024, which is available on the link: <https://jipmer.edu.in/departments/pmr/notice-board>

**The theme of the World PT Day for this year 2024 is:
“PHYSIOTHERAPY CAN HELP YOUR LOW BACK PAIN”**

The patient awareness videos on "low back pain and physiotherapy" were developed in Tamil and Hindi languages based on the World PT Day theme and broadcast across all OPDs at JIPMER

All the Physiotherapists were facilitated on this occasion by the Chief Guest

World PT Day 2024

Physiotherapy can help your low back pain

Physiotherapists are specialists in the care of low back pain, and can offer treatment tailored to your needs. They may:

-  help you understand how to manage your pain
-  offer lifestyle tips including advice on physical activity, stress and sleep
-  give you an exercise programme to improve your strength and help you resume physical activities
