

### **Intensified Diarrhea Control Fortnight at JUHC**

Intensified Diarrhea Control Fortnight was observed from 13 June to 27 June 2022 in the four wards of the JIPMER Urban Health Centre. All 356 under-five children were provided with 2 ORS packets at their doorstep as part of the fortnight. In the OPD, ORS corner was arranged for use by patients attending the OPD. Several awareness campaigns and IEC material distribution were conducted during immunization sessions, antenatal clinic about hand hygiene and sanitation, preparation of ORS and seeking healthcare at facility. The activities were conducted by ASHA, ANM, Anganwadi workers, PHNO and interns; and were supervised by MO and residents.

### **International Yoga Celebration by JUHC team**

International Yoga Celebration was observed on 21<sup>st</sup> June 2022 by the JIPMER Urban Health team at Gandhi Thidal, Rock Beak, Puducherry. About 30 people represented JUHC in the celebration which included faculty Dr. Swaroop Kumar Sahu, MD residents, MBBS interns, staff and people from service area.
