

### The world Population Day observation at JIPMER Urban Centre in the month of July 2022

World Population Day was observed on July 11, 2022 in JUHC. Best eligible couple identified from each of the 13 Anganwadi centres were given prize and health education were given to all the mothers who attended the session by ASHA, ANM, PHNO, residents and Interns. This event was graced by Dr. Gautam Roy (Professor - Senior scale) and Dr. Venkatachalam (Additional Professor) from the department of PSM. Community mobilization for contraception use was done for a fortnight. IEC materials on contraceptive methods and family planning were displayed in JUHC during antenatal and immunization clinics.

### Anti-malaria month observation in JIPMER Urban centre

Anti-malaria month was observed during the month of June and the first week of July in JUHC and schools that are present in the service area. Health education was given at schools and through a rally regarding vector control methods, personal hygiene and health seeking behaviour. These activities were coordinated by Sanitary Inspector, Medical Social Worker, ASHA, ANM, PHNO, Anganwadi workers, Interns; and supervised by residents and Medical officer.
