Dear Dr. Rakesh Aggarwal,

Greetings from Centre for Stem Cell Research, Vellore!

The Centre for Stem Cell Research has been organizing an annual symposium on Cell and Gene Therapy for the past six years. The aim of this meeting is to provide a forum for scientists and physicians working in this field of research to meet and discuss recent developments. The **7th Annual Cell and Gene Therapy Symposium** is scheduled from **1st to 3rd of September 2022**. The details of the program may be found on the CSCR website www.cscr.res.in/symposium/.

The areas of focus in this year's program include:

- Gene Therapy
- Immune Cell Therapy
- Gene Editing
- Non-Viral Nucleic Acid Transfer
- Technology Advances
- Challenges in Cell and Gene Therapy
- Applications of iPSC Technology
- Manufacturing and Regulatory Aspects
- Cell and Gene Therapy-Industry Updates

Please find enclosed a poster regarding this meeting. It will be very helpful if this could be displayed on your notice board.

With best wishes,

Organizing Committee
